

Banks Salver Final

The NEPL has been advised by the ECB through the Durham and Northumberland Cricket Boards that the Banks Salver Final against & at Chester le Street CC can take place as scheduled on

Saturday. Unfortunately due to the local lockdown guidelines introduced from today, no spectators or visitors are allowed to attend the game. This is so sad and disappointing for our loyal sponsors, supporters and followers, however, the game needs to show responsibility and as hard as it is we must ask that those who intended to come to the game do not do so. I'm sure our players will do all they can to try and bring the Trophy home for you all and thanks for your continued support.
